### ORDER

Kudumbashree is a Community Based Organization under the leadership of LSG to wipe out absolute Poverty. SGSY is a self employment enterprise programme mainly destined for Poverty Eradication. Kudumbashree and SGSY gave stress to the strengthening of Community based Organization of Poor families and create self aid Groups across the State. Since Kudumbashree and SGSY are working as parallel entities, Poor families are forced to be members in two CBOs. With the integration of Kudumbashree and SGSY, the concept of one CBO for poor in one Gramapanchayath comes in to existence. Government calculates that to implement all Poverty Eradication Programme including SGSY through integrated community organization benefits the poor families in a better way.

In this background Government issues Order to integrate all Self help Groups under SGSY with Kudumbashree. Detailed guidelines are appended.
